

Console log/plot output from running test_app.py:

Vehicle Test: No movement PASSED.

Vehicle Test: Vehicle going straight with acceleration > 0 PASSED.

Vehicle Test: Turning right with no movement PASSED.

Vehicle Test: Turning left with no movement PASSED.

Vehicle Test: Vehicle breaking PASSED.

Vehicle Test: All tests PASSED.

Environemnt Test: Vehicle position from coordinates - test PASSED. CONFIRM VISUALIZATION.

Environemnt Test: Vehicle position in lane - on center line - test PASSED. CONFIRM VISUALIZATION.

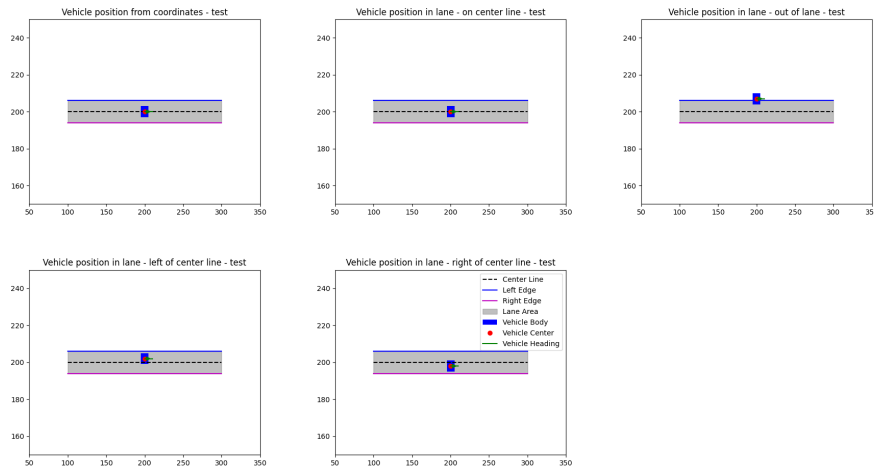

Environemnt Test: Vehicle position in lane - out of lane - test PASSED. CONFIRM VISUALIZATION.

Environemnt Test: Vehicle position in lane - left of center line - test PASSED. CONFIRM VISUALIZATION.

Environemnt Test: Vehicle position in lane - right of center line - test PASSED. CONFIRM VISUALIZATION.

Environment Test: All tests PASSED.

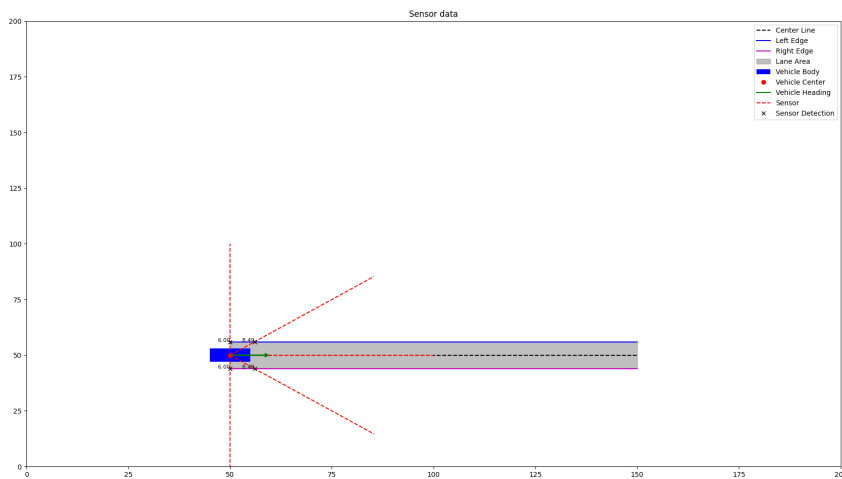

Console pauses and plot displays:

Sensor Test: End point calculation PASSED.

Sensor Test: Angle offsets PASSED.

Console pauses and plot displays:

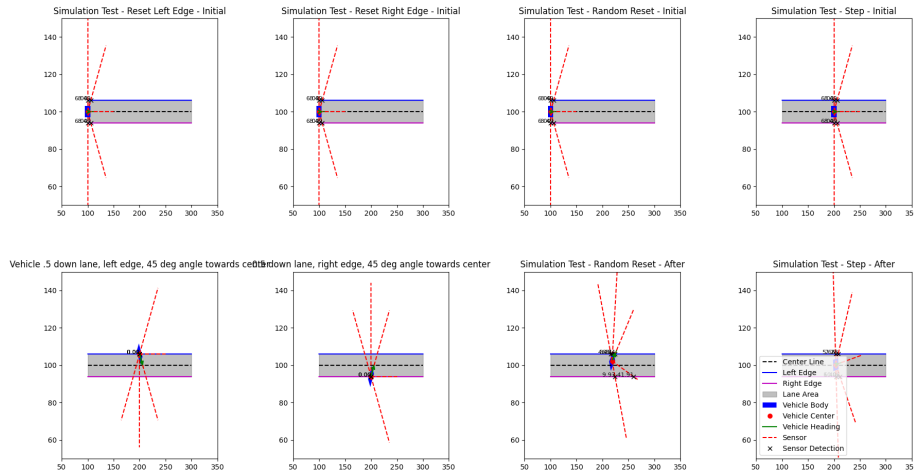

Sensor Test: Sensing PASSED.

Sensor Test: All tests PASSED.

Vehicle Placement Test: All open loop adjustment tests PASSED
Vehicle Placement Test: All tests PASSED.

Simulation Test: Visualization of left edge reset PASSED. CONFIRM VISUALLY
Simulation Test: Visualization of right edge reset PASSED. CONFIRM VISUALLY.
Simulation Test: Random reset visualization NEEDS VISUAL CONFIRMATION.
Simulation Test: Sim status update PASSED.
Simulation Test: Simulation step PASSED. CONFIRM VISUALLY
Simulation Test: State retrieval PASSED.

Console pauses and plot displays:

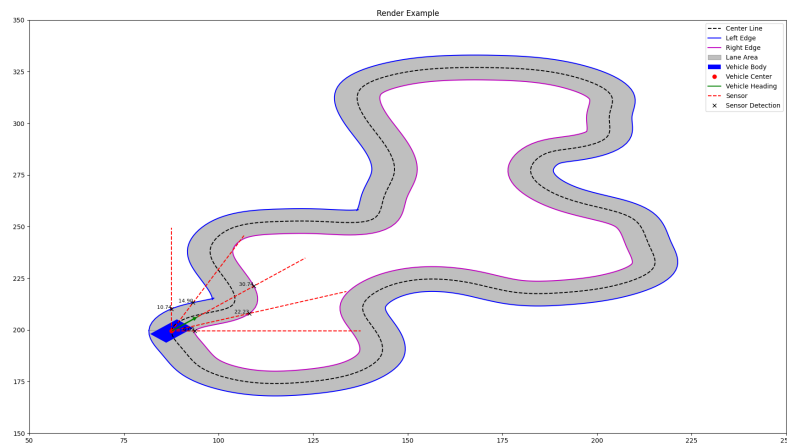

Simulation Test: All tests PASSED.

App Test: Lane initialization test PASSED.
App Test: Environment initialization test PASSED.
App Test: Environment initialization test PASSED.
App Test: Vehicle initialization test PASSED.

App Test: Environment initialization test PASSED.
App Test: Vehicle initialization test PASSED.
App Test: Sensor array initialization test PASSED.

Console pauses and plot displays:

App Test: Graphics test NEEDS VISUAL CONFIRMATION.
App Test: All tests PASSED.
